1. Introduction

This user guide is designed to help you navigate through the Solum store and become a Solum partner. Follow the step-by-step instructions provided in this manual to enjoy a smooth and hassle-free shopping experience.

2. Getting Started

Users can access the Solum store by clicking the URL provided below in any web browser. <https://solumstore.com> It opens to the main page of the Solum Store.

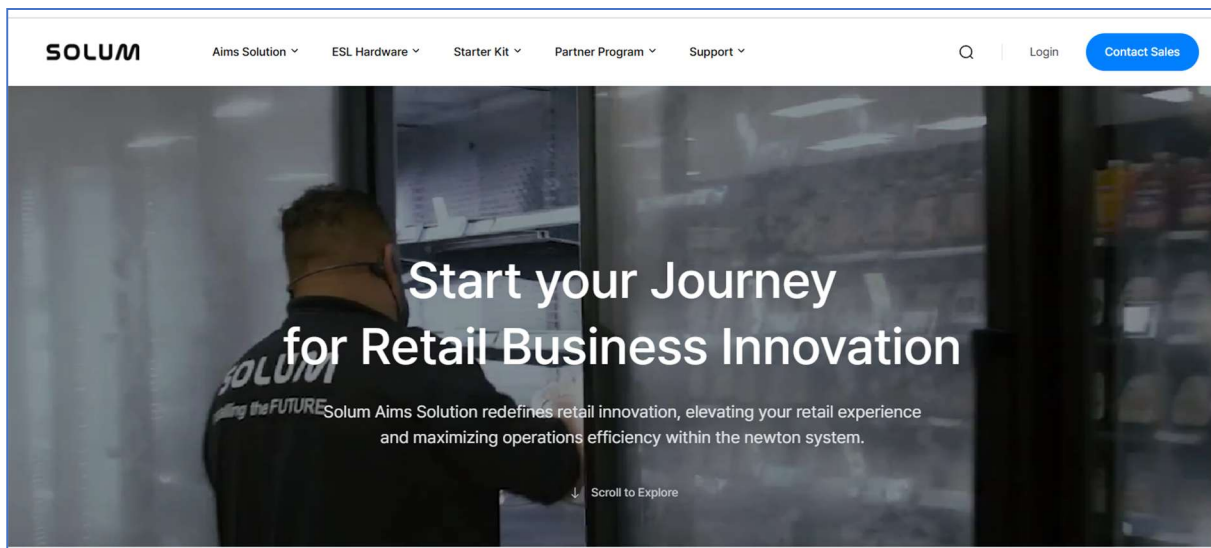

Figure 1 Getting Started

The main page of the store includes six primary tabs for easy navigation:

- **Aims Solution** – Provides information about solutions offered.
- **ESL Hardware** – Offers details on available hardware products.
- **Starter Kit** -Sample kit for Demos and Hands on previews
- **Partner Program** – Explains partnership opportunities and benefits.
- **Support** – Accesses help resources and user support.
- **Login** – Allows users to sign in to their accounts.
- **Contact Sales** – Enables users to contact the sales team for inquiries.

2.1 Book a Demo

To book a demo and learn how Solum ESL solutions work with AIMS SaaS, follow these steps:

1. **Access the Main Page** – Open the Solum Store website to reach the main page.
2. **Scroll Down** – Navigate down the main page.
3. **Click "Get My Demo"** – Select the **"Get My Demo"** button to schedule a demonstration.

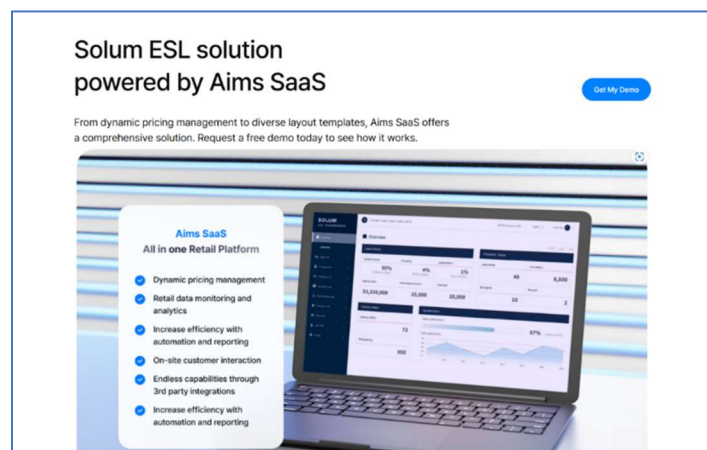

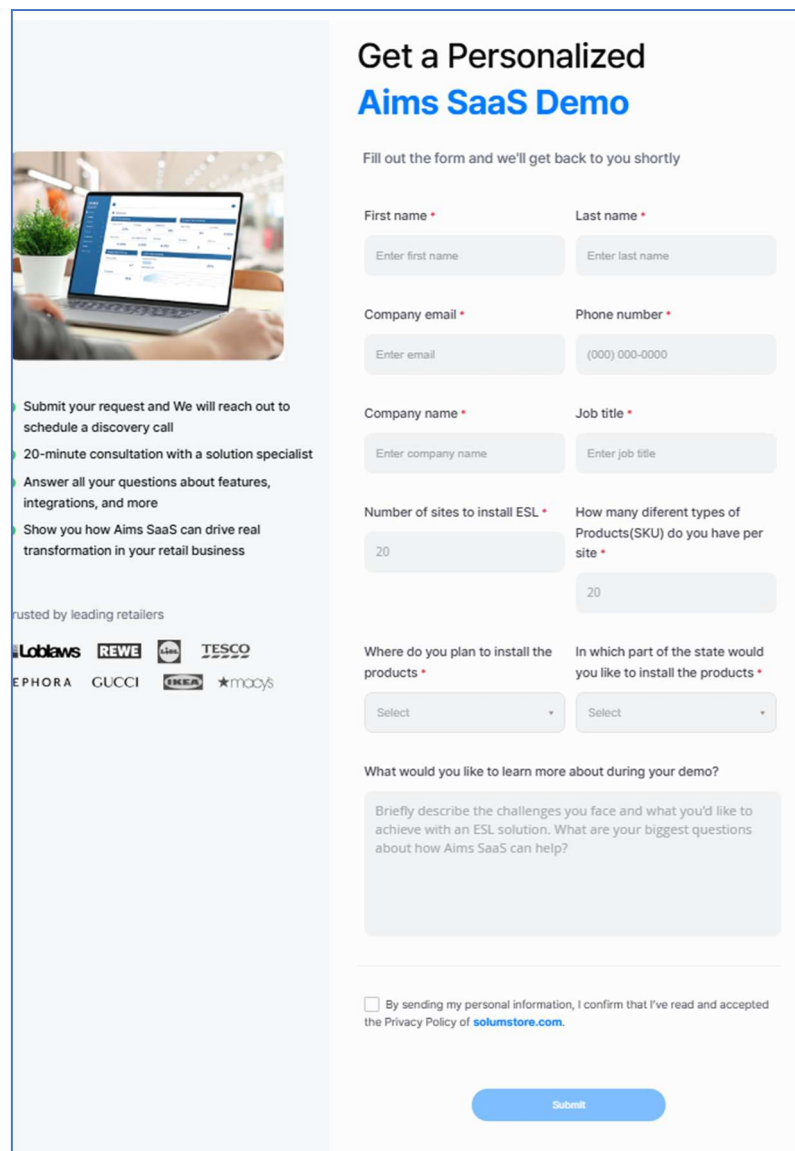

Figure 2 Book a Demo

4. After clicking "**Get My Demo**", you will be directed to a form.
5. **Fill in the Required Information** – Provide details such as your name, company, and any specific requirements or preferences for the demo.
6. **Submit the Form** – Once you've filled out the form, click **Submit** to complete your request for a customized demo.
7. Solum will contact the user to schedule a discovery call.

Figure 3 AIMS SaaS Demo

3. Setup Your Account

Before accessing all the features of the Solum Store, users need to create an account.

To create an account:

- 1. Navigate to the **"Login" Tab** on the main page.

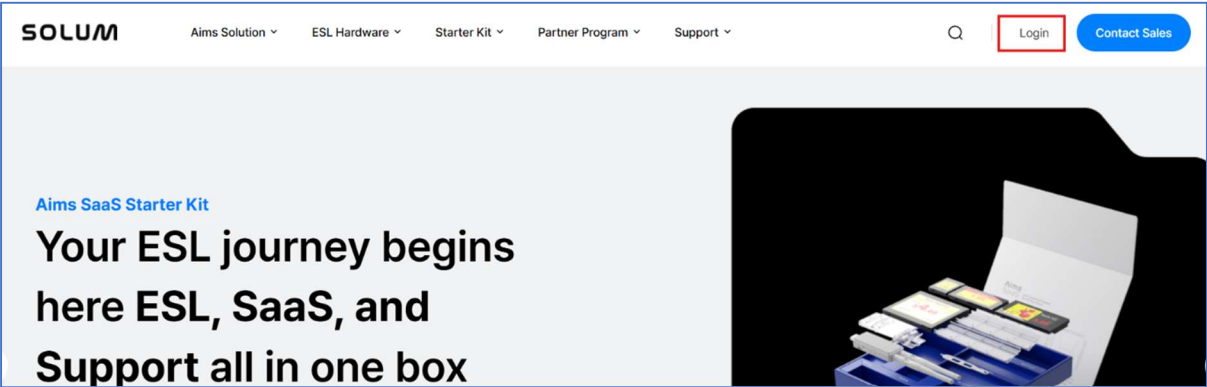

Figure 4 Login

- 2. Click **Create an Account** from the newly opened window.

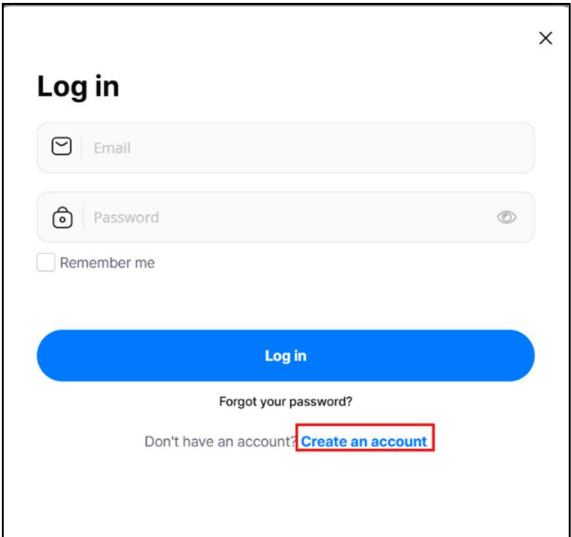

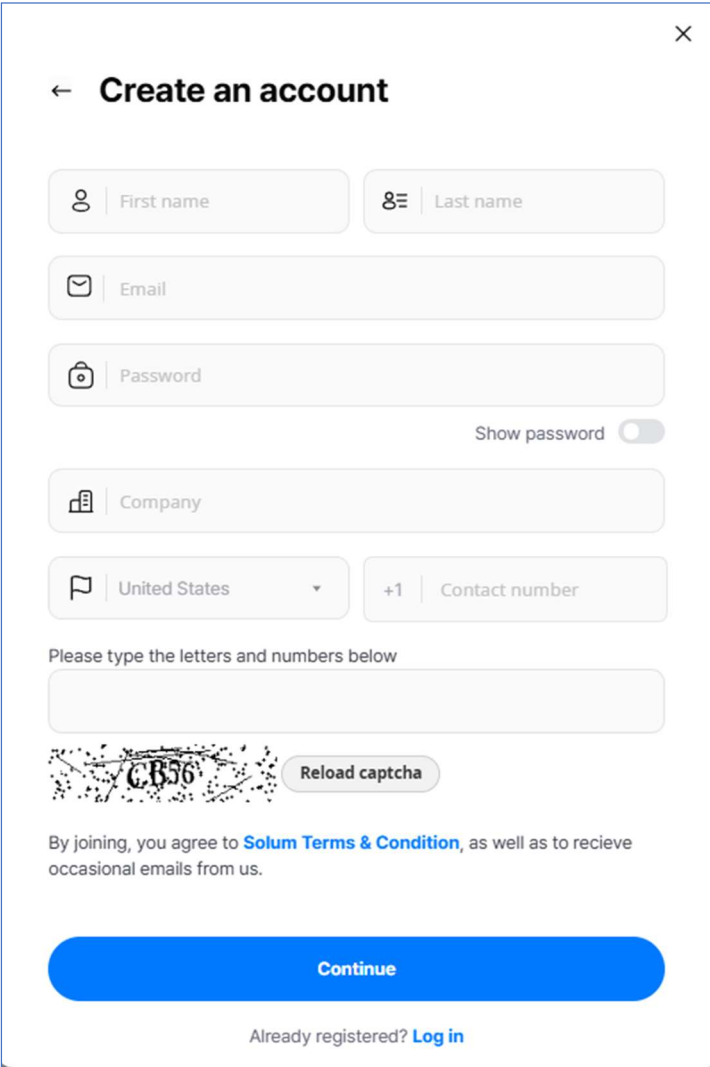

Figure 5 Create an Account

3. Fill in the required information:
- First Name, Last Name
 - Email
 - Password
 - Company
 - Country
 - Phone Number
4. Click **Continue** to complete the process.

The screenshot shows a mobile app interface for creating an account. At the top, there is a back arrow and the title "Create an account" with a close button (X) in the top right corner. The form consists of several input fields: "First name" and "Last name" (each with a person icon), "Email" (with an envelope icon), "Password" (with a lock icon and a "Show password" toggle switch), "Company" (with a building icon), a country dropdown menu currently set to "United States" (with a flag icon), and a "Contact number" field with a "+1" prefix. Below these fields is a text prompt "Please type the letters and numbers below" followed by a large empty input box for a captcha. The captcha image shows the letters "CB56" with a "Reload captcha" button next to it. A disclaimer states: "By joining, you agree to [Solum Terms & Condition](#), as well as to receive occasional emails from us." At the bottom is a large blue "Continue" button and a link "Already registered? [Log in](#)".

Figure 6 Account Details

5. a pop-up message will appear stating that a confirmation email has been sent to your provided email address.

Figure 7 Confirm Email Address

6. **Check your email inbox** for the confirmation message from the Solum Store.
(If you do not see the email in your inbox, check your spam or junk folder.)
7. Click the **Confirm Your Account** link in the email to verify your account.

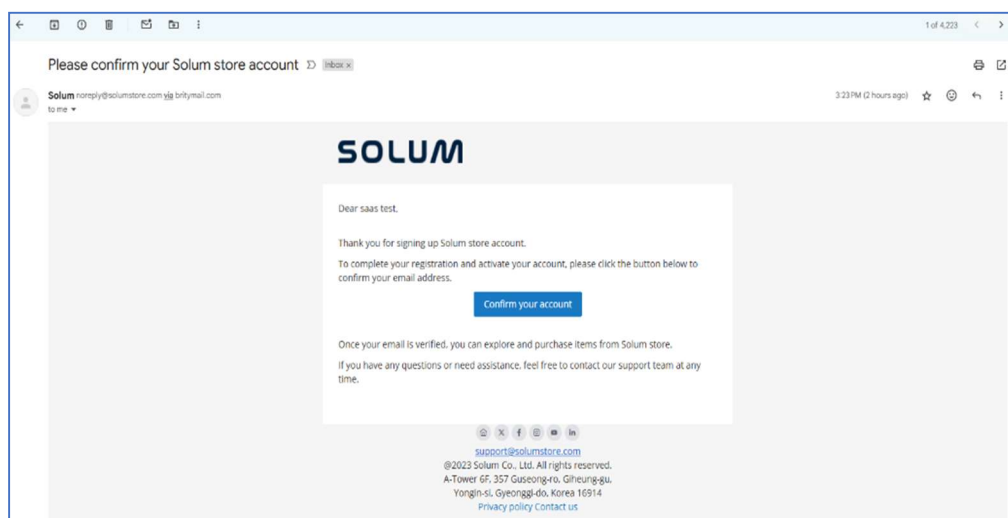

Figure 8 Confirm Account Email

3.1 Login to Your Account

If you've been logged out of your account and wish to log in again, follow these steps:

1. **Go to the top of the page** and click the **"Login"** button.
2. **Enter your username** and **password** that you created while setting up the account.
3. Click the **"Log In"** button to access your account.

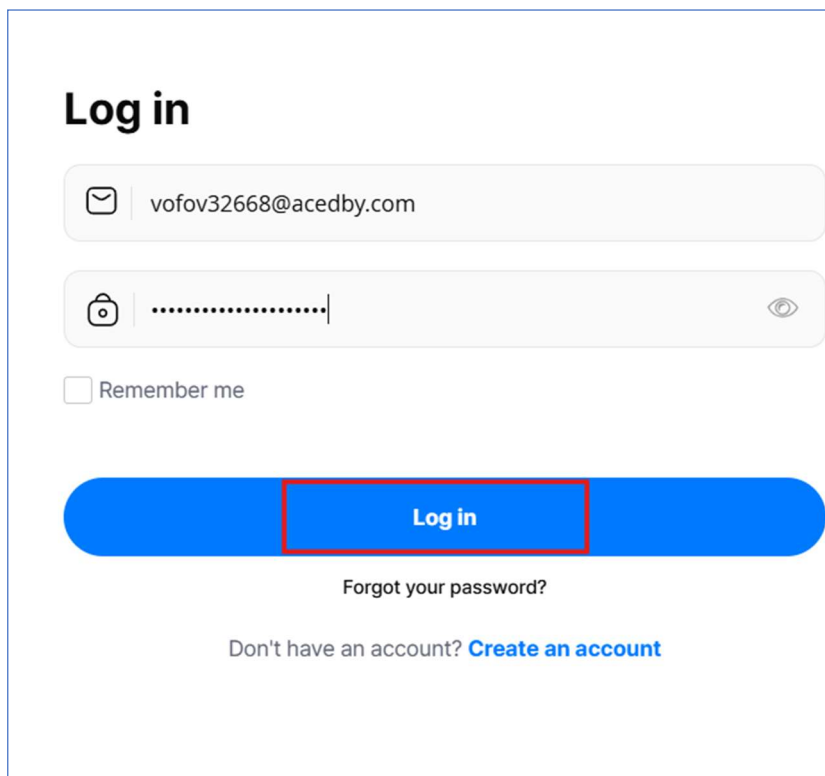

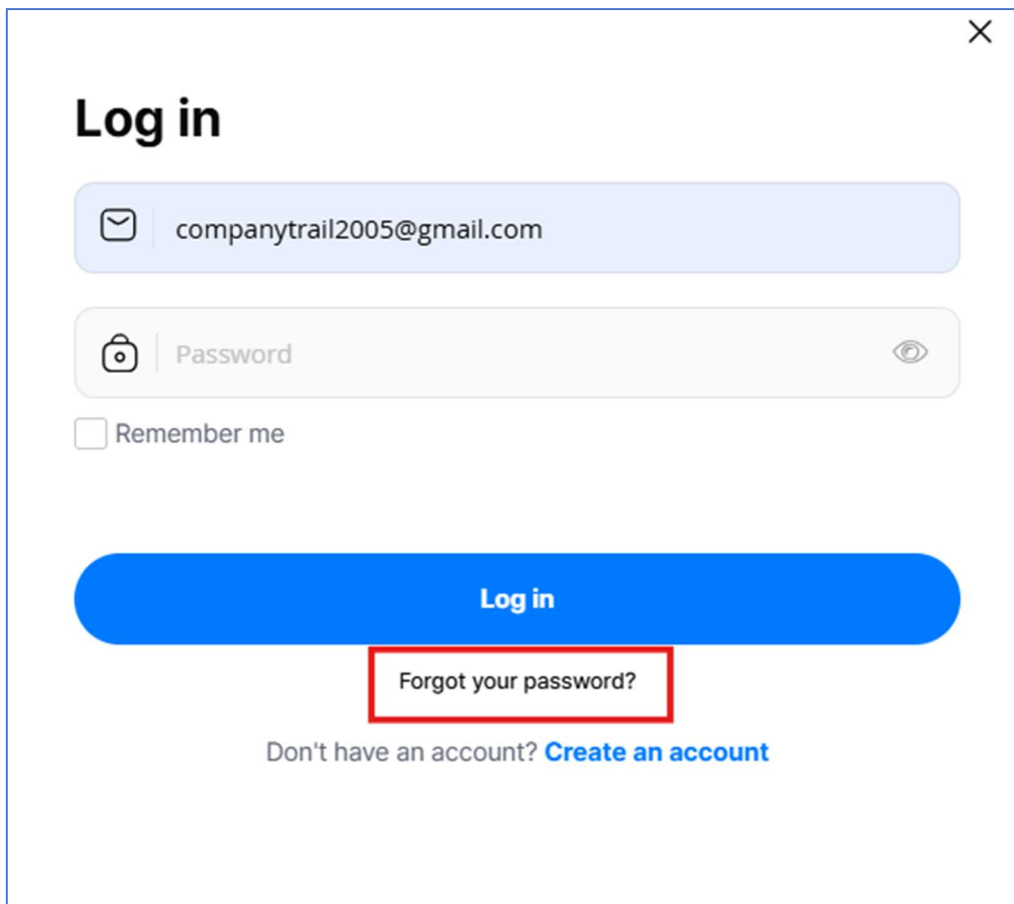

A screenshot of the Solum Store login interface. The title "Log in" is at the top left. Below it are two input fields: the first for email with an envelope icon and the text "vofov32668@acedby.com", and the second for password with a lock icon, masked dots, and a toggle eye icon. Below the password field is a checkbox labeled "Remember me". A large blue button with the text "Log in" is centered below the inputs. Below the button are two links: "Forgot your password?" and "Don't have an account? Create an account". The "Log in" button is highlighted with a red rectangular border.

Figure 9 Login

3.2 Forgot Password

If a user forgets their password, they can reset it from the Login tab.

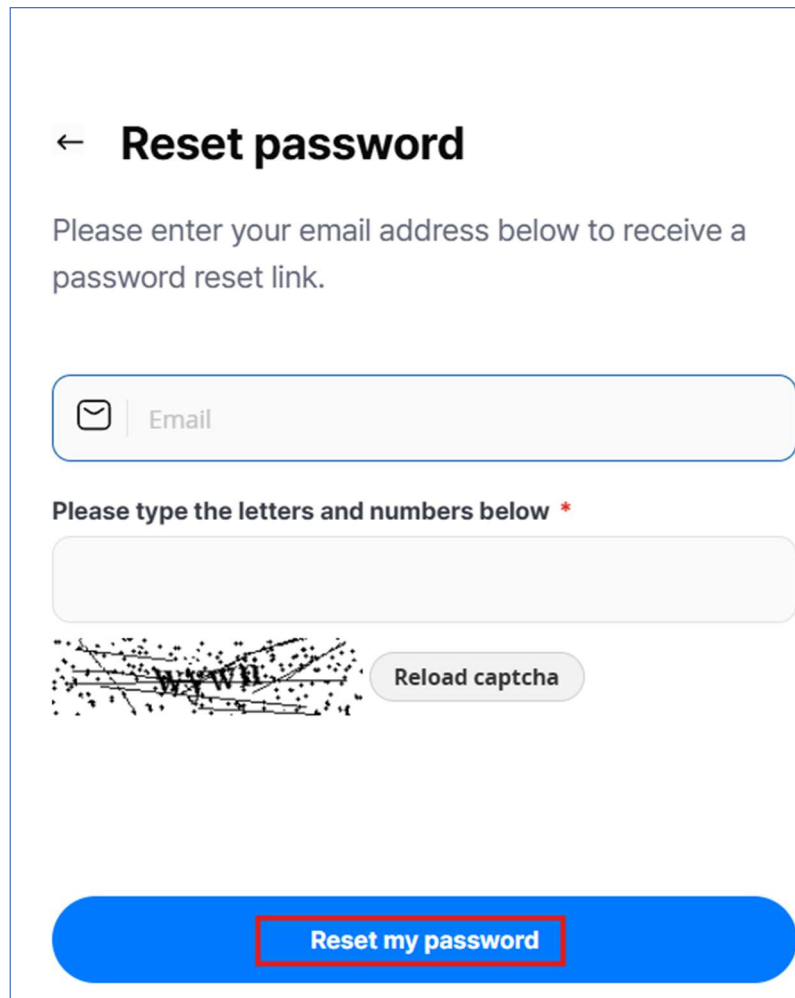

1. Click **Login** from the navigation bar on the top
2. Provide your **Username** and click **Forgot Your password**.

The screenshot shows a 'Log in' modal window. It contains a title 'Log in' with a close button (X) in the top right corner. Below the title are two input fields: the first for an email address (containing 'companytrail2005@gmail.com') and the second for a password (containing 'Password' and a toggle icon). Below these fields is a checkbox labeled 'Remember me'. A large blue button labeled 'Log in' is positioned below the checkbox. Directly beneath the 'Log in' button is a red-bordered box containing the text 'Forgot your password?'. At the bottom of the modal, the text 'Don't have an account?' is followed by a blue link 'Create an account'.

Figure 18 Become a Partner

4. After clicking submit, your request to become a partner will be sent to Solum.

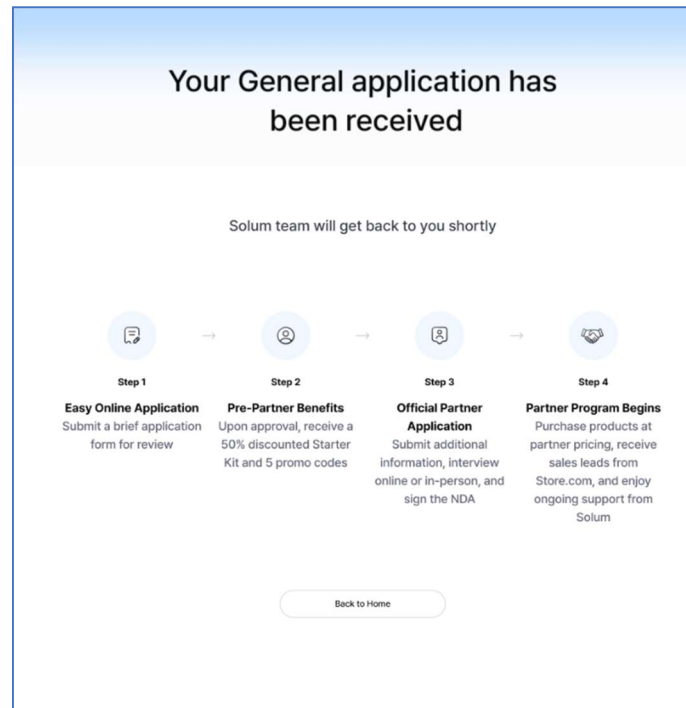

Figure 19 Online Application

5. Solum will review your brief application form. After the admin approves your account, you will receive a **50% discounted Starter Kit along with 5 promo codes** as a pre-partner.
6. You will need to **log in** again to your account to view your new offers and discounts.

4.1 Become a Certified Partner

- 1 Once a pre-partner is approved, Solum sends them an email inviting them to apply for the Certified Partner program.
- 2 The pre-partner fills out the application form and sends it back to Solum via email.
- 3 After receiving the application, Solum will arrange a meeting to evaluate the user for the Certified Partner program.

5. Purchasing Products

5.1 Purchasing AIMS SaaS Starter Kit

User can purchase the AIMS SaaS Starter Kit from the store by clicking the **Starter Kit** tab on the main page.

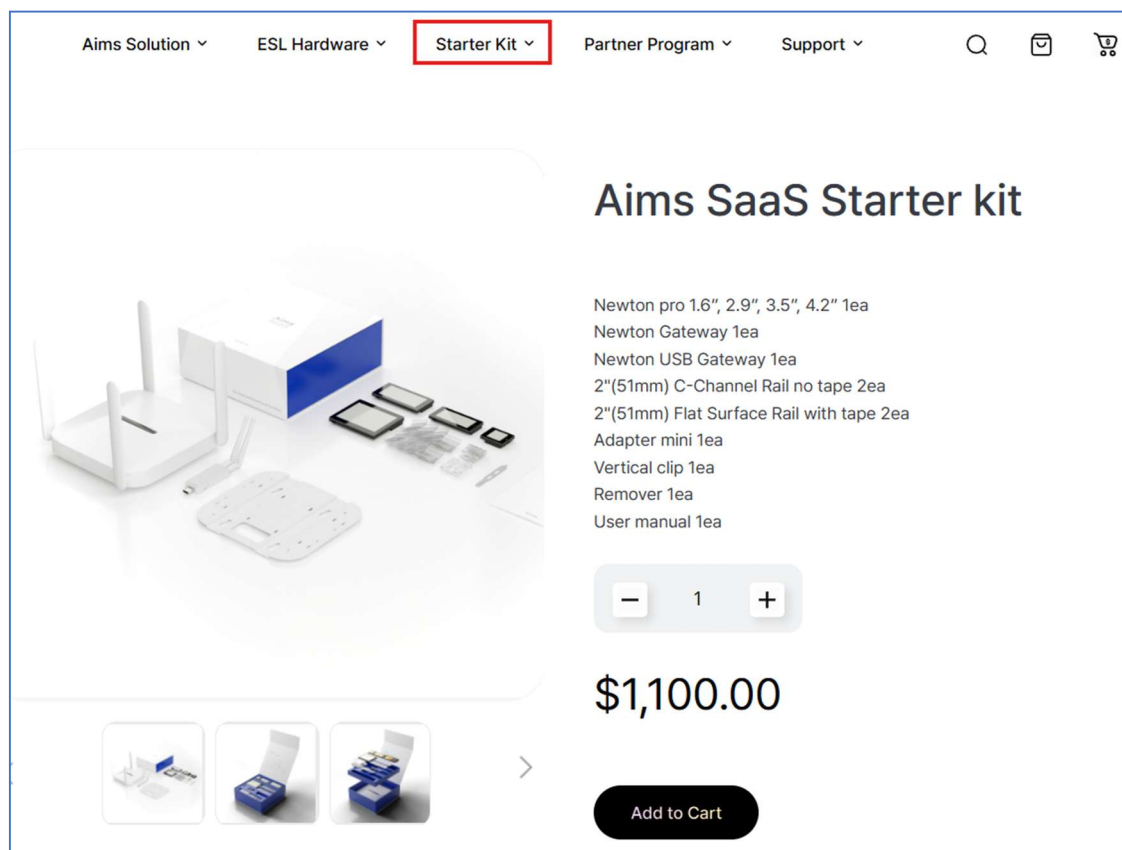

Figure 20 Adding Starter Kit to Cart

1. The new page provides details about the Starter Kit and its contents.
2. You can increase the quantity by clicking the + button.

3. Click **Add to Cart** to add the Starter Kit to your cart.
4. Go to the shopping cart to see your added product.

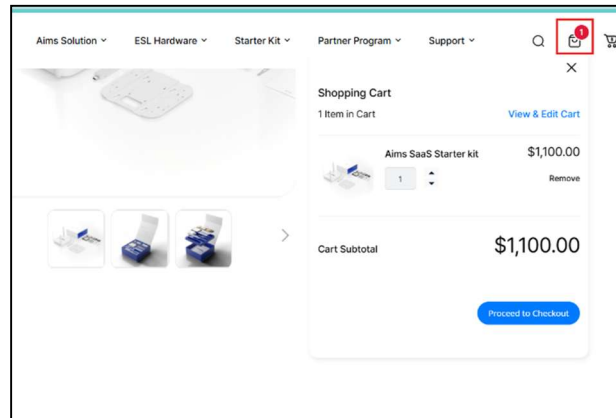

Figure 21 View Shopping Cart

4. You can increase or decrease the quantity using the up and down arrows.
Then click **Update** to adjust the price based on the quantity selected.

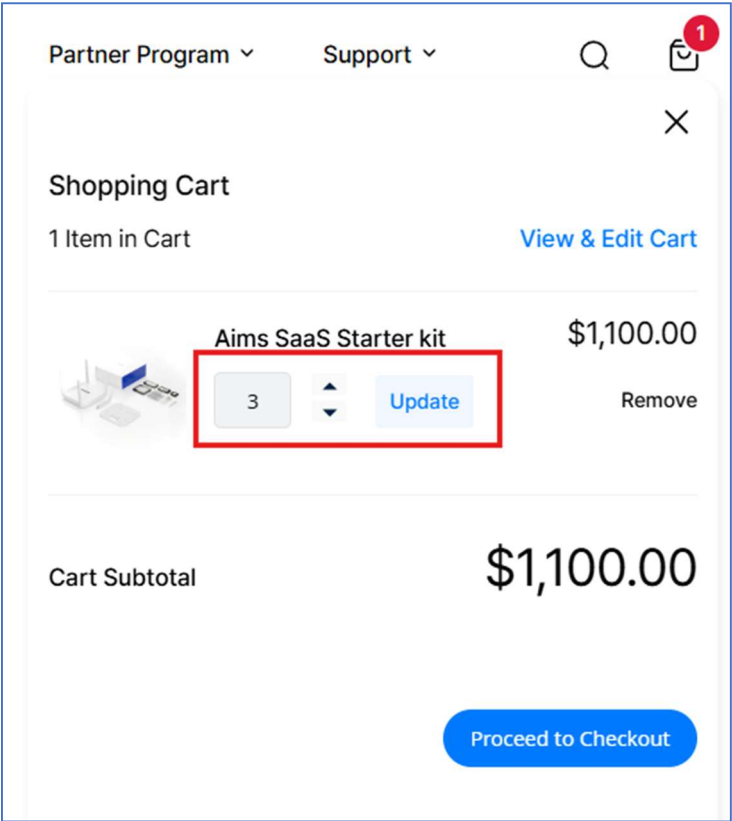

Figure 22 Update Quantity and Price

6. Click **View and Edit Cart** to edit your cart details and apply offers.

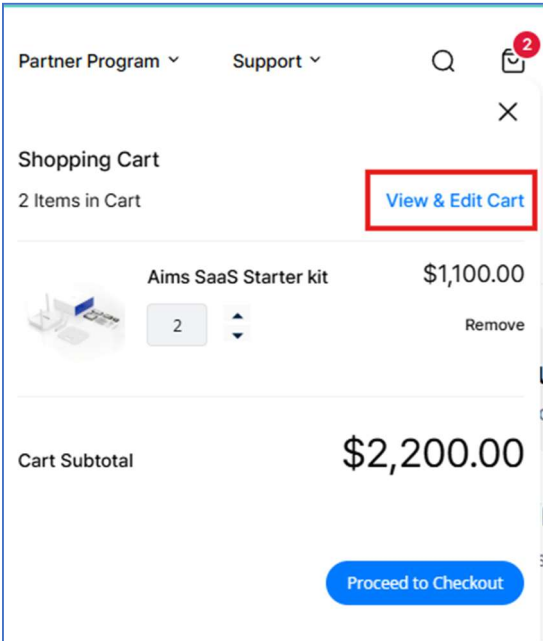

Figure 23 View and Edit the Shopping Cart

8. Enter your coupon code in the **Apply Offers** section to avail the discounts.

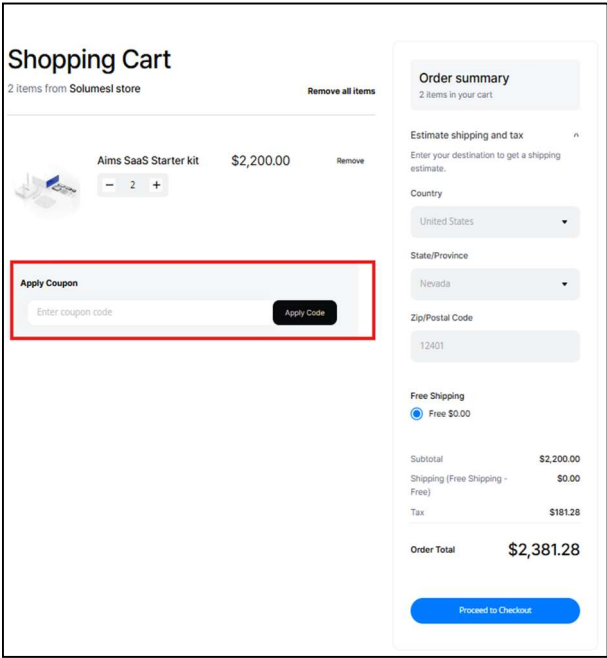

Figure 24 Apply Coupon Code

8. Check the order summary to see the discount you received as a pre-partner. This item will be displayed up to 5 times per user, and from the 6th order onward, the order will be processed without the discounted amount.

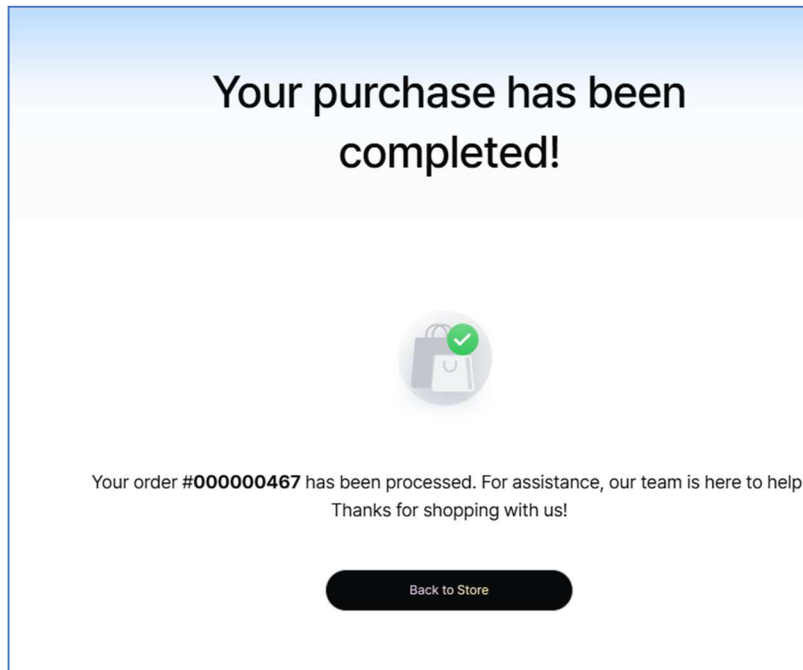

Figure 31 Purchase Completed

5.2 Purchasing Package Product

To purchase the Package Product, you must use the **Contact Sales** option.

How to Buy a Package Product:

- Go to the Solum store from the ESL Hardware tab, and click on Package Products.
- Choose the package that fits your needs.
- After selecting your package, click the **Contact Sales** button to proceed.

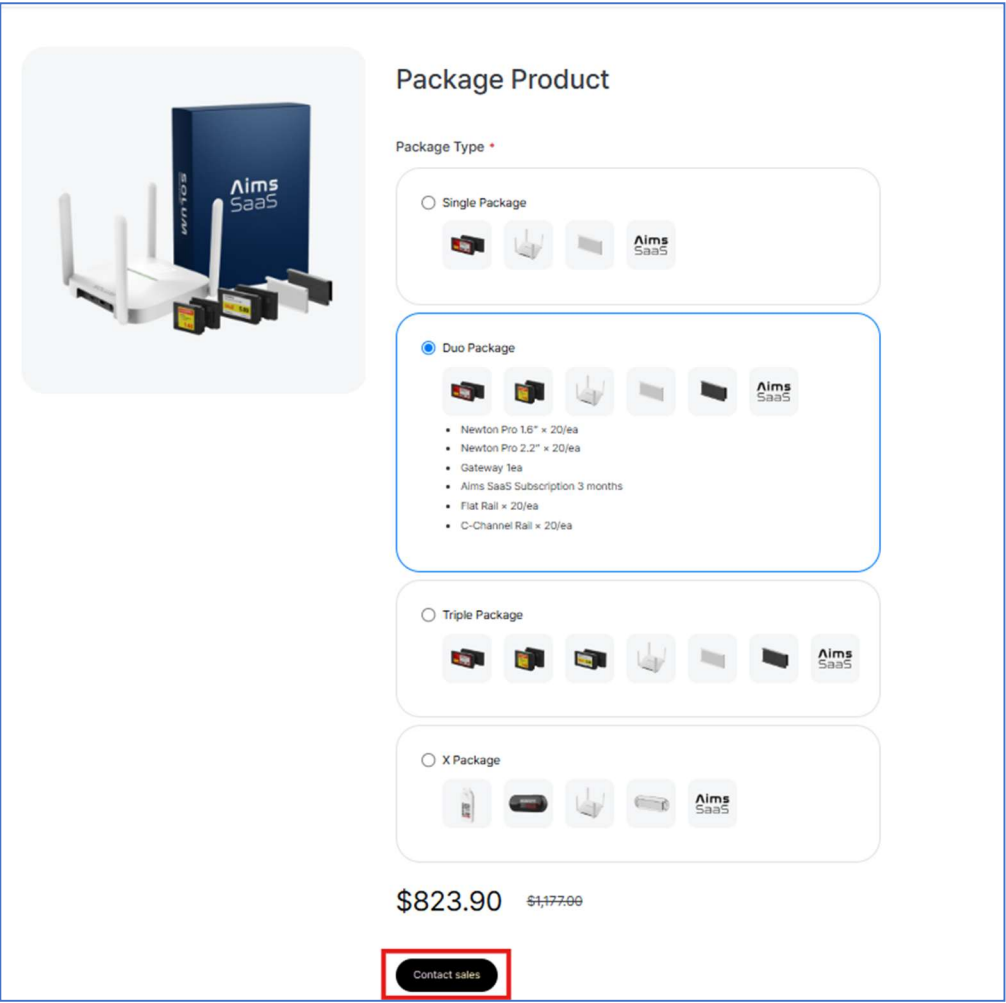

Figure 32 Package Product

Note: To understand how the **Contact Sales** feature works, refer to the [Contact Sales Instructions](#) section in this manual.

6. Request for Quote (RFQ)

Users can explore Solum's range of products using two convenient options:

1. ESL Hardware Window

If you're looking for specific product categories such as **package products**, **ESLs**, **gateways**, or **accessories**, you can navigate directly to the desired category from the ESL Hardware window.

2. Using the 'Shop All' Option

To browse and view all available products in the store, select the **Shop All** option. This allows you to explore the entire product range and make your purchase from the store. Choose the option that best suits your needs for a seamless shopping experience.

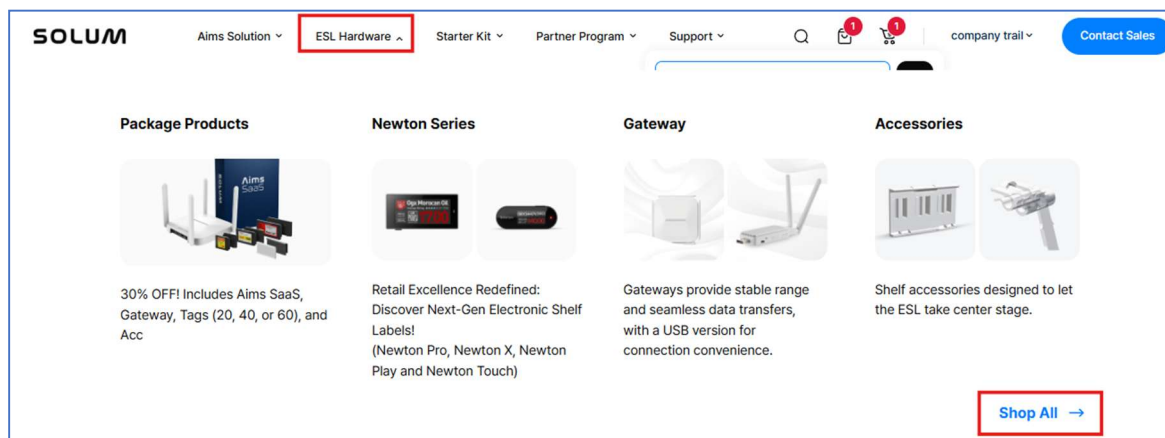

Figure 33 ESL Hardware Tab

When users click on the **Shop All** option, they will be redirected to the **Solum Store Page**. Here, the products are organized into five distinct categories for easy navigation and selection.

1. Newton Series
2. Gateway
3. Accessories
4. Starter Kit

5. Package Products

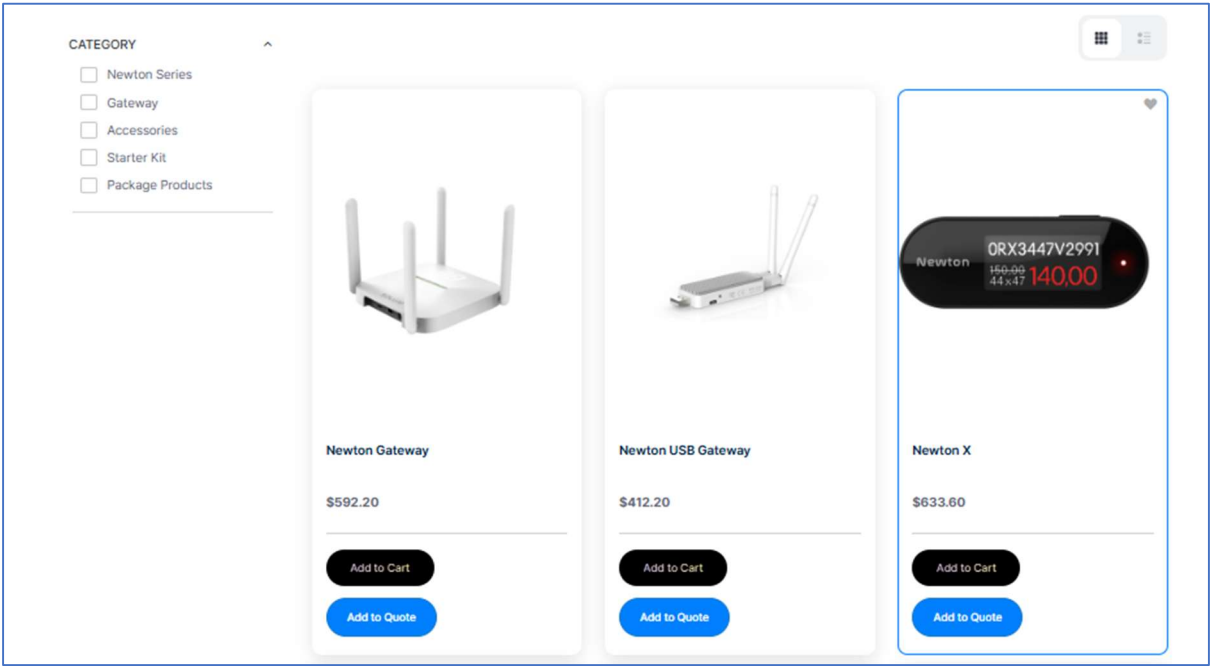

Figure 34 Solum Store

users can request a quote for purchasing the Newton series, gateways, and accessories. A **Request for Quote (RFQ)** helps users get better prices, custom offers, and clear details.

6.1 Adding Products to Quote Cart

1. Select a product from the Solum Store.

Figure 35 Adding Products to Quote cart

Note: Users can directly add products to the quote cart from the store page, by clicking **Add to Quote** below the product image. Check your Quote Cart for the next steps.

2. Click on the product image to open the detailed page for that product.
Users can adjust the quantity and view the price here.

Figure 62 Edit Account Information

4. You will be asked to **log in** again.
5. Provide your **username** and **password** to log in.

To change Your password

- 1. Click the **Change Password** option.

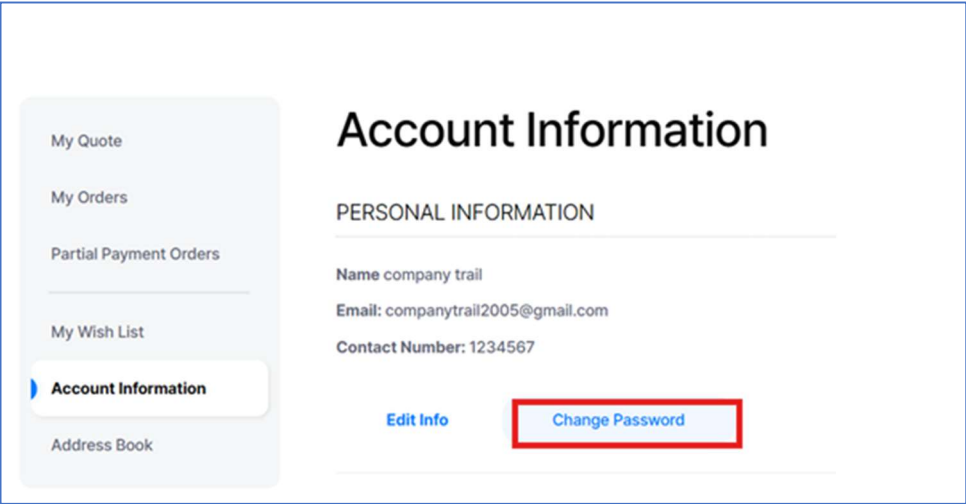

Figure 63 Change Account Password

- 2. Enter your **current password**.
- 3. Enter a **new password**.
- 4. Confirm the **new password**.
- 5. Click **Save** to update your password.

A screenshot of the 'Update Password' form. It has three input fields: 'Current Password *', 'New Password *', and 'Confirm New Password *'. Below the 'New Password' field is a text label 'Password Strength: No Password'. At the bottom left is a checkbox labeled 'Show Password'. At the bottom right are two buttons: 'Cancel' and 'Save', with the 'Save' button highlighted by a red rectangle.

7.5 Address Book

This section allows you to manage your address and add a new one.

1. To **modify an existing address**, click **Edit Address**.

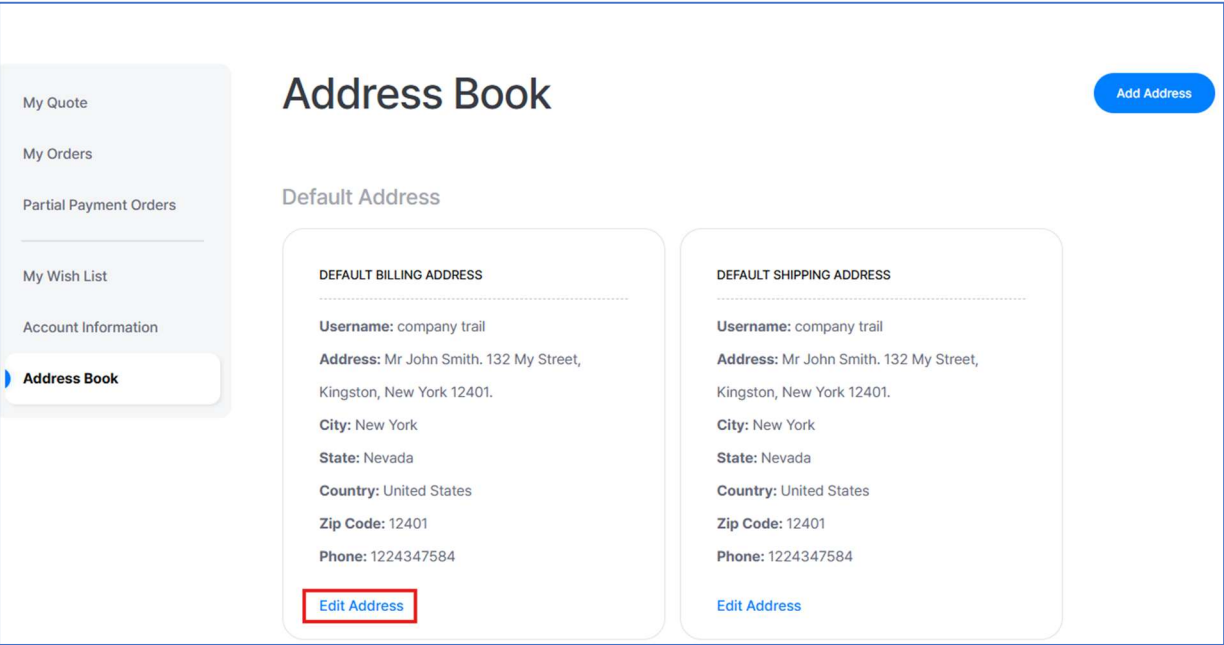

Figure 65 Managing Address

2. Make the changes and click **Update Address**

Figure 66 Edit Address

3. To **add a new address**, click **Add Address**.

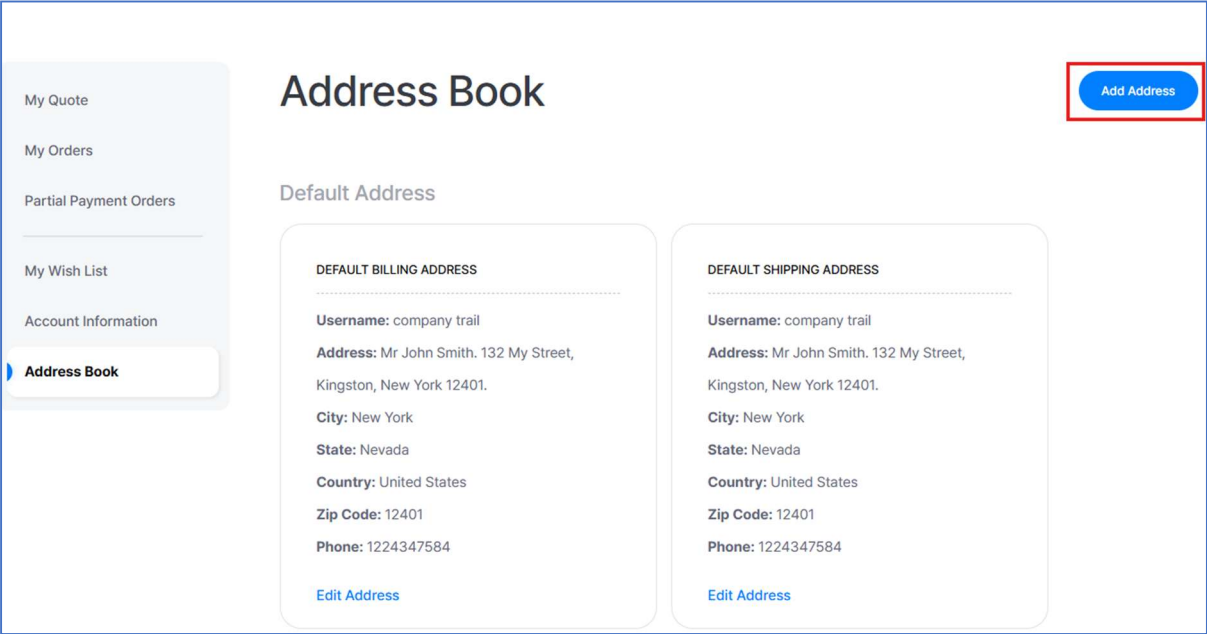

Figure 67 Add New Address

4. Input the required information and click **Add Address**

The screenshot shows a modal window titled 'Add New Address' with a close button (X) in the top right corner. The form contains several input fields: a 'Company' field with a dropdown menu showing 'company' and 'trail'; a 'Street Address' field with a placeholder 'Enter street address'; a 'Country' dropdown menu with 'United States' selected; a 'State/Province' dropdown menu with 'Select State/Province' selected; a 'City' field with a placeholder 'Enter city'; a 'Zip Code' field with a placeholder 'Enter zip or postal code'; and a 'Contact Number' field with a placeholder 'Enter phone number'. At the bottom of the form, there are two checkboxes: 'Use as my default billing address' and 'Use as my default shipping address'. Below the checkboxes are two buttons: 'Cancel' and 'Add Address'.

8. Contact Sales

The **Contact Sales** feature allows you to connect directly with Solum, whether or not you have a Solum account. If you need information about ESL solutions but don't want to create an account, you can still use this feature to reach out.

How to Use the Contact Sales Feature

1. Go to the Main Page:

- Click on the **Contact Sales** tab.

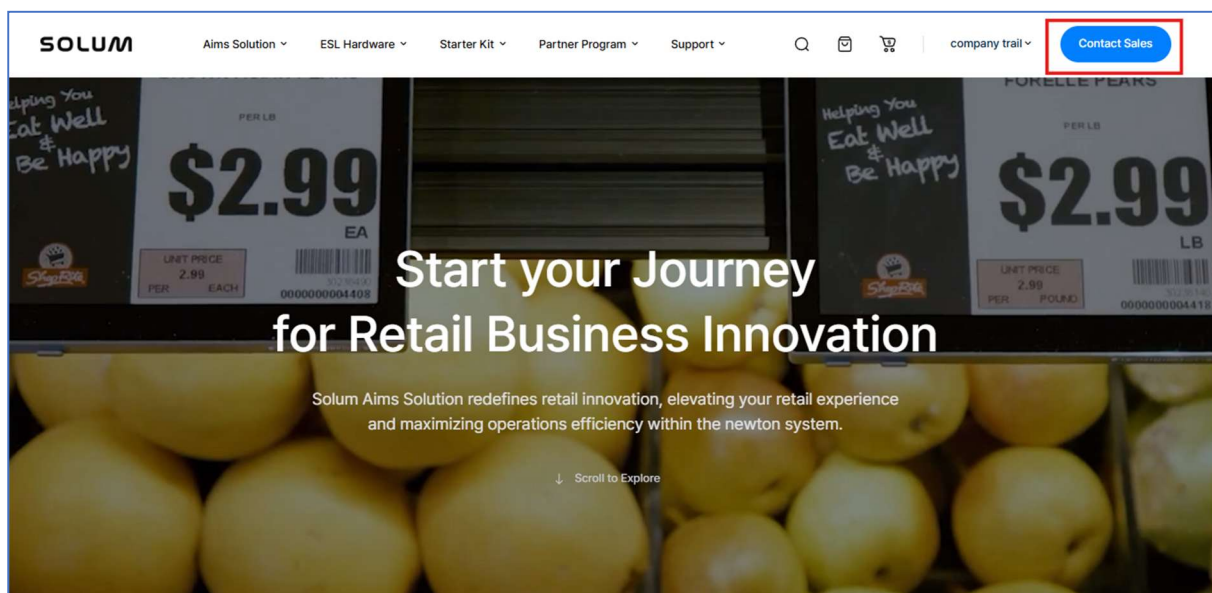

Figure 69 Contact Sales

2. Fill Out the Form:

- Enter the required company details.
- Specify your ESL requirements.
- Use the designated field to provide additional details about your specific project needs.

Figure 73 Contact Us

Our experts will:

- Help identify your problem type
- Provide consultation for general errors
- Guide you on choosing the right support ticket for your needs

9.3 Purchase Support Ticket

After receiving guidance, Purchase and Activate Your Support Ticket:

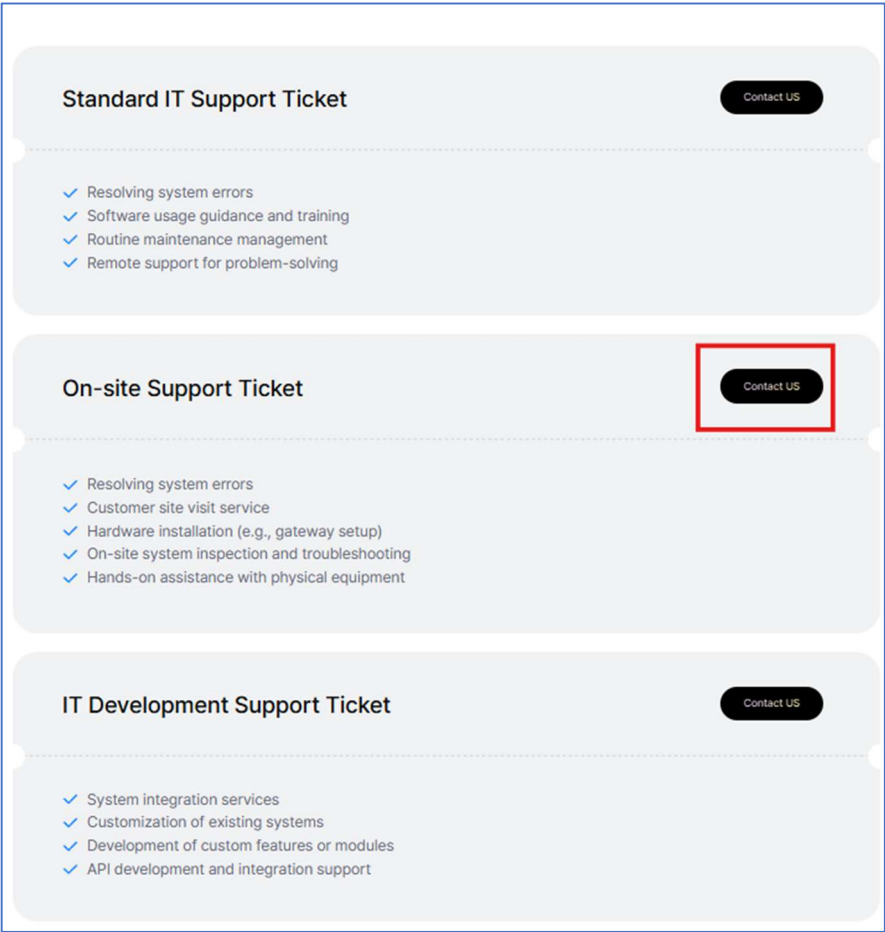

Figure 74 Support Ticket

Receive Support Services

Solum will offer support based on purchased ticket type. When users connect with the IT Help Centre via chat, support services will start. Tickets are deducted based on time spent, and you can monitor your remaining balance on the dashboard.

9.4 User Manual

Users can explore this section for video user guides to use the system effectively and independently.

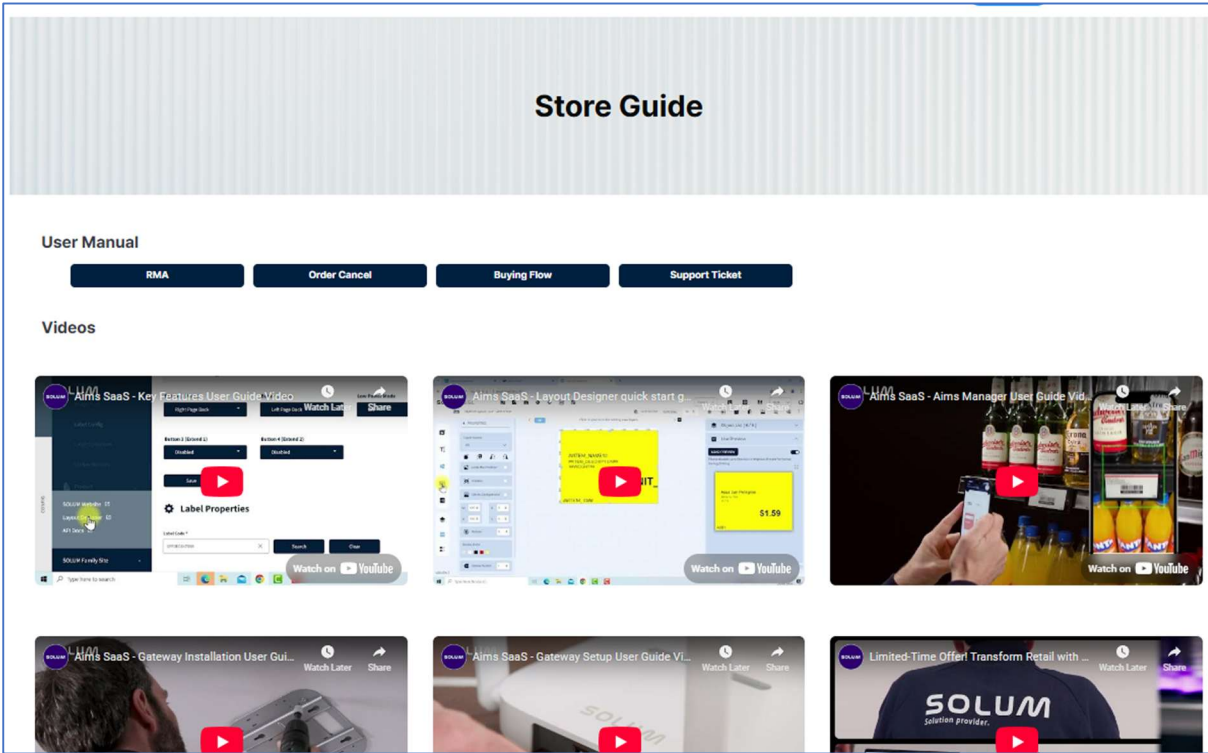

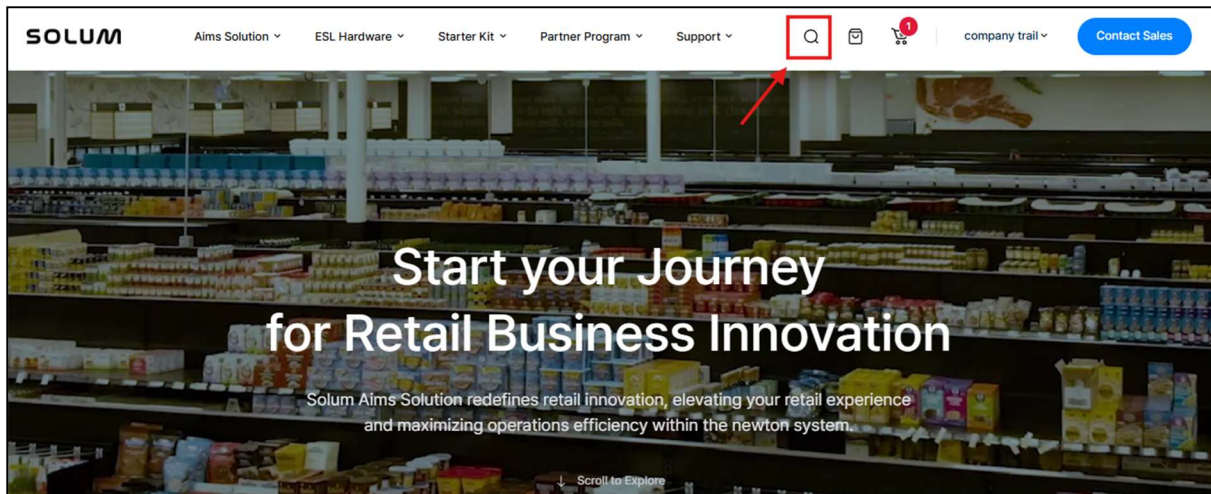

Figure 75 User Manual

10. Search and Explore

The **Search** tab, located in the top-left corner, helps you quickly find products without browsing through the entire store. Follow these steps to search efficiently:

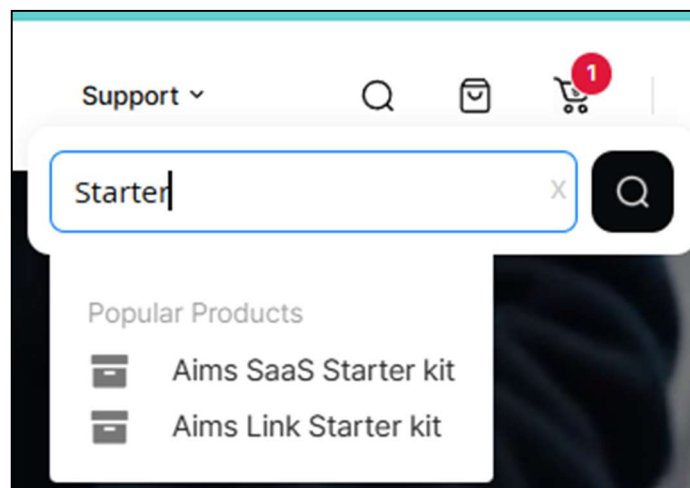

1. **Open the Search Tab:**

Click on the search icon in the top-right corner of the screen.

*Figure 76 Search Products*

2. Enter the Product Name:

Type the name of the product you are looking for into the search bar.

*Figure 77 Quick Search*

3. View Search Results:

A list of matching products will appear based on your input.

4. Select Your Product:

Click on the product from the list to view its details or add it to your cart. By using the search tab, you can save time and quickly find exactly what you need.
